### Due dates

- 1<sup>st</sup> semester tuition (September - January) is due on **September 5, 2020**
- 2<sup>nd</sup> semester tuition (February - June) is due on **January 15, 2021**

### Fees

- In addition to regular tuition, there is an annual \$100 **registration fee** per student.
- A **late fee** of \$30 will be applied for all accounts if payment received after September 15<sup>th</sup> for the first semester and after February 1<sup>st</sup> for the second semester. Additional \$30 will be applied if we do not receive the payment two weeks later (by October 1 and/or February 15).
- A **returned check** fee is \$30.

### Discounts

- **If you choose to pay by check or cash, please deduct \$30 (\$20 – for grade K) from each semester’s tuition.**
- Studio gives a discount of \$50/semester to all 8<sup>th</sup> graders who are concurrently taking separate algebra and geometry classes.

### Payment with credit card

Previously we had a considerable number of requests to offer making payments with credit cards. Now, this option is available through your Parent Portal. Unfortunately, adding this option automatically raises the tuition by the processing fee. Those families who still prefer **paying with checks** will get a discount of \$30.00 (\$20.00 for Kindergarten) per semester. And it gives them the same tuition amount as the last year.

### Payment by PayPal

We are now accepting PayPal as a way to pay the tuition and registration fee. The link to the Paypal is available on Studio’s website. If your payment amount is different, please email [admin@engagingmath.com](mailto:admin@engagingmath.com) to request an invoice. Please include your child’s name and grade in your email.

## Payment plans

Studio offers the following payment plans:
